Montrouge, 14 november 2011

Dear Friends,

20 November is arriving!

A date that speaks to all Midadiens of the world, children, youth and adults. The Convention on the Rights of the Child is a seminal text that inspires us the cause of children and encourages us to act for justice, peace and love in different living environments for children.

Many countries send us their plans for celebrating the 22nd anniversary of the Convention and their actions in this direction. ***We invite you all to this exchange that will strengthen our solidarity in promoting this culture of love.*** We will post on our website at the moment we receive the news.

Local movements and BI, read together the passage of the Action Plan of Santiago to remember our commitments for the next three years until 2014!
